

## **Post-doc position in experimental condensed matter physics**

### **Job summary:**

Institute of Physics at the Maria Curie-Skłodowska University (MCSU) seeks applicant for an post-doc position. The job consists of research in the experimental surface and nanostructure physics.

### **Job Description:**

Qualifying criteria in the competition procedure are:

- PhD degree in physics, chemistry or materials science awarded no earlier than 7 years before the opening,
- ability to teach at the university level acknowledged by scientific mentor,
- outstanding scientific achievements and experience in applying for and managing or working in scientific projects,
- documented scientific achievements in the field of physics, chemistry or materials science,
- knowledge of STM/STS methods, and ability to perform STM/STS measurements in UHV conditions and their interpretation,
- knowledge of the English language,
- high motivation to conduct scientific research and the ability to work in a team.

### **Application should contain:**

- application to the Rector of Maria Curie-Skłodowska University,
- a copy of the doctor's degree diploma or other document confirming its obtaining,
- a personal questionnaire and CV,
- list of scientific publications,
- list of scientific and organizational achievements,
- the candidate's declaration that MCSU will be the primary place of work,
- a recommendation letter,
- a declaration of compliance with requirements, in accordance with art. 113 of the Act of 20 July 2018 on the Law on Higher Education and Science (Journal of Laws of 2018, item 1668),
- the candidate's statement that he consents to the processing of personal data, in accordance with art. 6 par. 1 lit. a) Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46 / EC (general regulation on protecting personal data).

### **Main Research Field:**

solid state physics, surface science, nanostructure science

### **Career Stage:**

(0-4)

### **Research Profile:**

R2

### **Job Details:**

- temporary full-time employment (from **01.01.2020** to **31.12.2021**) under a research grant,

- during the period of collecting salary as part of the employment relationship, no other salary may be collected on the basis of an employment contract with any employer (also applies to employers based outside the territory of the Republic of Poland),
- during the period of employment at UMCS under the research project, no other salary may be collected from funds awarded as direct costs in the National Science Center projects.

### **How to Apply:**

Application should be sent in sealed envelopes with the note "Applies to the recruitment for the post-doc position OPUS-MK" to the address: **Institute of Physics, Maria Curie-Skłodowska University, pl. M. Curie-Skłodowskiej 1, 20-031 Lublin, Poland** or electronically in the form of pdf files to the address **mariusz.krawiec@umcs.pl** (original documents or copies certified as true will be required at the stage of the competition resolution)

**Application deadline: 25/11/2019 13:00 – Europe/London**  
**Decision will be made by 29/11/2019.**

**The university does not provide housing.**

**The outcome of the competition does not result in the establishment of an employment relationship. The decision concerning the employment is made by the Rector.**

**The university reserves the right to close the competition without of the decision.**

Maria Curie-Skłodowska University in Lublin with its seat at pl. Maria Curie-Skłodowska 5, 20-031 Lublin (hereinafter: Maria Curie-Skłodowska University) informs that data collected in the recruitment process will be processed only for the purpose of this process.

A person who joins the recruitment process is obliged to provide information within the scope pursuant to Article 22 <sup>1</sup> of the Polish Civil Code and special provisions concerning the employment in a given position. Provision of data in a broader scope than outlined in the regulations is voluntary. The basis for the data processing is subject to the provisions of law and consent, with regard to data extending beyond the area specified in the regulations.

Pursuant to Article 7(3) of the General Data Protection Regulation personal data, in relation to data beyond the scope provided for by law, the data subject is entitled to withdraw consent at any time, and such withdrawal shall not affect the lawfulness of the processing carried out on the basis of consent prior to its withdrawal.

In accordance with Articles 15-21 and 77 of the General Protection Regulation the data subject shall have the right of access to the data, their rectification, erasure or restriction of processing and the right to object to the processing, and the lodging of a complaint to the supervisory authority, as well as the right to data transfer. The collected personal data will not be sold or made available to third parties, with the exception of those that are entitled under the provisions of law, will not be transferred to third countries or international organisations, contrary to the rules of the general regulation on the protection of personal data.

Data will be processed by the Maria Curie-Skłodowska University during the recruitment period, and in the case of data processed on the basis of consent, until the time of any objection or withdrawal of consent, and thereafter for the purposes of archives, in accordance with the procedures of the Maria Curie-Skłodowska University, as well as for the purposes and for the period and to the extent required by law for the purpose of securing any claims.

UMCS has appointed a person to supervise the processing of personal data, that can be contacted at: [abi@poczta.umcs.lublin.pl](mailto:abi@poczta.umcs.lublin.pl)
