

Budapest, November 4, 2019

Dear Colleagues,

It is our pleasure to welcome you to join the 18th International Conference on Thin Films (ICTF) which will be organized jointly with 18th Joint Vacuum Conference (JVC) in Budapest, Hungary. The conference will be held from 14th to 18th June 2020 at the ELTE University Congress Center, which is located in the fast growing and modern South-Buda side of Budapest.

The ICTF is one of the tri-annual conference series endorsed and co-organized by the Thin Film Division of the International Union for Vacuum Science, Technique and Applications (IUVSTA). JVC is the meeting of the established series of Joint Vacuum Conferences, which are organized at two-year periods by the Austrian, Croatian, Czech, Hungarian, Slovak and Slovenian national vacuum societies.

The registration and abstract submission are open now. For more details regarding the conference, please visit conference website, which is continuously updated with new information.
