

Dear Colleagues,

1st November, 2025

It is our pleasure to invite you to the next [Academia-Industry Matching Event \(AIME 2025\)](#).

This event, organized by the HUN-REN Wigner Research Centre for Physics together with the HEPTech Network, aims to bring together academic researchers and industry experts to share ideas, explore potential applications, and foster collaborations in the field of theoretical and practical aspects of modern methods supported by the fast development in information technology. The highlighted topics for this year will be Artificial Intelligence (AI), High-performance Computing (HPC), and Quantum Technologies (QTech).

We are excited to announce that the following keynote speakers already accepted our invitations.

- Roland Jakab (HUN-REN, CEO)
- Árpád Pikethy (IBM Hungary)
- Miklós Dezső (HUN-REN Rényi Alfréd Matematikai Kutatóintézet)
- Örs Legeza (HUN-REN Wigner RCP, Dynaflex)
- Gábor Vattay (ELTE TTK)
- Tamás Kozsik (ELTE IK)

– Date of the event: 27-28 November, 2025

– Venue: HUN-REN Hungarian Research Network, *Budapest, 29 Alkotmány Street, Budapest, 1054*

You can find information about the previous year's event on the AIME 2025 webpage [here](#).

Thanks to the generous support of HEPTECH we can offer 50% discount from the registration fee, which is 100 EUR (40.000 HUF).

Thank you in advance for considering our invitation, and we hope to see you in November.

Yours sincerely,

Gergely Gábor Barnaföldi, Gábor Bíró, Balázs Kacskovics, Péter Lévai and András Telcs
