

FIRST ANNOUNCEMENT

TOPICS

- BASIC PLASMA AND FUSION ENERGY • LASER PLASMA PHYSICS • MAGNETIC AND INERTIAL CONFINEMENT FUSION •
- TOKAMAKS, STELLARATORS AND Z-PINCHES • PROTON BORON FUSION AND APPLICATIONS •
- PLASMA DIAGNOSTICS AND TECHNOLOGY • SPACE PLASMA AND ELECTRIC PROPULSION •

MISSION

Kudowa Summer School is a biennial event which mission is to provide high quality scientific lectures to students willing to start their careers in fusion and plasma physics research. It is traditionally organized by the Institute of Plasma Physics and Laser Microfusion and attracts participants from many countries.

In 2026, the School will be supported by COST (European Cooperation in Science and Technology), promoting international collaboration among young researchers.

The event will take place in Kudowa-Zdrój, Poland, from 8th to 12th June and will cover a variety of topics interesting for all students involved in plasma physics research.

STUDENTS' SESSIONS

The plenary lectures given by well-known plasma physics scientists will be complemented with students' sessions.

Students who are interested in giving a 15-minute talk are kindly requested to send a 1 page abstract on their research before 16th March, 2026. If the number of contributions exceeds the limit of available time-slots for the talks, a poster session will be arranged.

A special prize is foreseen for the most remarkable contributor.

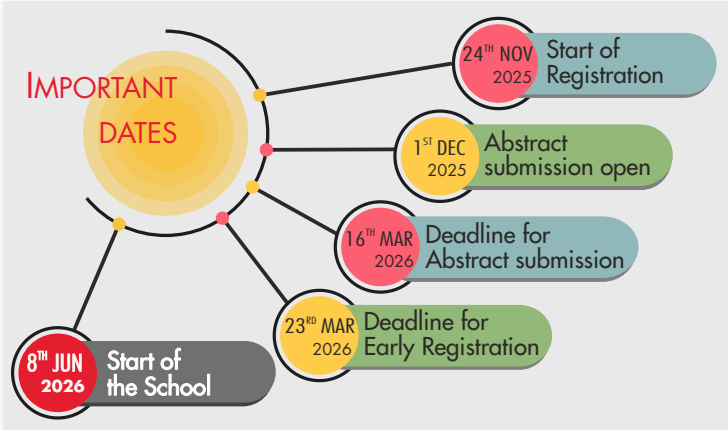

GENERAL INFORMATION

The preliminary registration starts on 24th November 2025 and should be done via Kudowa Summer School website: kudowaschool.ipplm.pl.

The total payment for participation in the school, also including full board and lodging, is 5000 PLN. The reduced payment for early bird registration is 4500 PLN.

A significant number of students working on proton boron topics will have the opportunity to receive financial support from the COST Action PROBONO. Students might also be able to apply for funding through FuseNet, EUROfusion, Erasmus+, NAWA or the IAEA.

IMPORTANT DATES

ACCOMMODATION

The School will be held in Villa Antica, 29 Zdrojowa Str., 57-350 Kudowa-Zdrój – a small resort city at the Polish-Czech border. The closest airports are located in Wrocław (Poland) and Prague (Czech Republic). Detailed information about transport to Kudowa will be available at the Kudowa Summer School website.

More information can be found at the website of the Summer School: kudowaschool.ipplm.pl.

J. ONGENA
DIRECTOR OF THE SCHOOL
