

XVI International conference
«Mössbauer Spectroscopy and its Applications»

2022, September 4 – 9, Ekaterinburg, Russia

To Prof. Dénes Lajos Nagy
Wigner Research Centre for Physics
Budapest, Hungary

Dear Dénes!

Participants of the XVI International Conference “Mössbauer Spectroscopy and its Applications” which is now continued in Ekaterinburg, Russian Federation, send you the warmest greetings on occasion of your birthday. We wish you to be healthy and happy, active and lucky! We hope to meet you again next time at the next Mössbauer spectroscopy meetings.

With best wishes,
Participants of the ICMSA XVI,
Ekaterinburg, Russian Federation,
September 9, 2022
